

Lions District 22-W would be honored by your presence at the District Social when we celebrate District Governor Brian Cox and First Lady Susan. Brian's theme "Seeds of Service" nicely compliments the International theme "New Mountains to Climb". As our world and communities continue to change, each of us face new challenges and new opportunities that provide numerous chances for Lions to honor our past, embrace the present and plan for our future.

In honor of Lions' 100 years of service through service itself, the Centennial Service Challenge is an initiative meant to challenge clubs to organize at least one service project in each of the four Centennial Service Challenge Campaigns: Engaging our Youth, Sharing the Vision, Relieving the Hunger and Protecting our Environment. Therefore, District Governor Brian is requesting that attendees bring some packaged food items to relieve Hunger or extra eyeglasses to Share our Vision.
