OCTOBER 7TH & 8TH

THE MARYLAND SCHOOL FOR THE BLIND AND LEAGUE OF DREAMS' BEEP BASEBALL FALL CLASSIC

League of Dreams' teaming up with The Maryland School for the Blind to play ball! Beep baseball to be more specific. Beep Baseball is the game of baseball for the blind and visually impaired. The game requires eye shades that black out anyone's vision so sighted and blinded athletes alike are on the same playing field. The ball beeps so batters and fielders can play the ball. The bases buzz allowing the runner to find the base. The rules are slightly different than baseball but the game is one for all to love. Come learn more by volunteering or playing at our Maryland School for the Blind and League of Dreams' Beep Baseball Fall Classic on Cal Ripken Sr. Field located on the campus of the Maryland School for the Blind.
