Fellow Lions,

**Wow! I can't believe this Lions first quarter has ended.** There is so much still to do and little time and hands to complete some tasks. I just returned from the 43<sup>rd</sup> Annual USA/Canada Lions Leadership Forum in Spokane, Washington. The Forum offered over 70 seminars over a 3-day period. The array of topics offered Lions more information and tools to take **back to their clubs and build on their leadership skills.** If you haven't been to a Forum, I highly recommend that you plan to attend one soon. It will be an experience you will treasure. The Forum is well known for the motivational speakers, inspirational stories, and fantastic service ideas. Lions come back from the forum excited about Lionism and service to their communities. Lions looking toward advancement and knowledge in Lionism should try a Forum.

**Coming soon is my District Governor's Social.** This year's event will be on Saturday, November 9 at the Delta Hotels by Marriott Baltimore North (formerly the Radisson Hotel at Cross Keys). You'll find all the details at the end of this newsletter. Come out for a night of fun and dining and **"Journey Down the Service Path" with DG Sam and First Lady Diane.**

Mark your calendar for the 1<sup>st</sup> Cabinet Meeting on October 11, 2019. **I'm looking forward to seeing all Club Presidents, Club Secretaries, Club Treasurers, and Membership Chairs as well as club members.** Cabinet Officers and Committee Chairs should attend.

*"We're all working together, that's the secret"*

*Yours in Lionism*

*DG Sam*

## BEL AIR LIONS CLUB HIGHLIGHTS

*Lion Natalie Shaw greets campers and their families for Camp Possibilities*

*Lion Graham Phillips helps a Camper move his gear to his cabin.*

### Lions Participate at Camp Possibilities

On July 28, the Bel Air Lions assisted with the Camp Possibilities Check-In day. That day, dozens of campers aged 8-16 moved into Camp Possibilities for a week of fun and learning to manage their diabetes under a very caring, controlled environment. We saw so many happy kids, so many excited counselors and counselors in training, and very calm and supportive medical staff and directors. One family, especially, was thrilled to see us there with our Lions hats because the Jarrettsville Lions had sponsored their daughter to attend Camp. It was a rewarding experience despite the heat!

At the volunteer and counselor lunch, Lions Graham Phillips; Bill Smith and Natalie Shaw talked with Amy Edgeworth and Jeff Dietz, both camp staff, about needs the camp has that we could assist with. Their biggest need is to help counselors and counselors in training who have diabetes and cannot afford insulin or who are sacrificing other things like textbooks or college to be able to pay for their insulin. There are many sacrifices being made to stay healthy, and the Camp is trying to alleviate those burdens when possible by finding long-term solutions.

On Wednesday, July 31, we got a tour of camp led by Jeff Dietz who showed the cabin that has been **converted via Lion money and Lion volunteerism to "Camp Med," the medical assistance cabin where the campers check in every day on their sugar levels and their well-being.** We saw the archery and fishing pond area, watched a game of the infamous "Gaga Ball," and checked out the dining hall where there are specific tools for the Campers to use to help them track their carbs. Also, the swimming pool is pretty amazing, and the medical staff working there are rockstars. They do sugar checks every fifteen to twenty minutes to keep the kids safe without their pumps. Campers were singing, dancing, excited to show us their cabins and their games. It was an incredible experience.

## ELLICOTT CITY-COLUMBIA LIONS CLUB HIGHLIGHTS

A new school bus for Head Start, a preschool program for low income students throughout Howard County, Maryland, was dedicated on September 9, 2019 by the County Executive Calvin Ball. The Ellicott City-Columbia Lions Club, District 22A, donated \$40,000 for the bus.

Head Start provides bus service for all its 200+ students in four locations. Its oldest bus had well over 100,000 miles and was costly to maintain. The CAC worked with the Club for a down payment on a new bus to replace the old one. The CAC then applied to the County for the balance of the cost. Dr. Ball enthusiastically budgeted money for the bus, and the County Council approved it.

**The bus was dedicated to Lion John "Jack" Garrity, who spent thirty-five years in the Ellicott City Lions serving in all officer positions, Boys and Girls Committee Chair, and Hall Chair for maintenance and rentals. Decades of bingo in the hall provided the funds for community programs including the bus. Lion Jack was a WWII veteran wounded at the Battle of the Bulge, a prison warden, and retired as the County Animal Control Officer. His story telling was famous for maintaining the Club's oral history. Every new Lion, visitor, and Lion in District 22A that he met heard a story from Lion Jack.**

PIP Kusiak lead the Lion delegation with District 22A Governor, Sam Foster and his wife, Diane Foster, Mayor Pro-Tem of Taneytown; Club members Alan Goldschen, President; Tom Hartman, Secretary; Darrell Kingsland, Treasurer; and Directors Susan Kingsland, Susan Hartman, and Susan Goldschen. State Senator Dr. Clarence Lam, a board member of CAC, also attended.

*The Club honored County Executive Dr. Ball and Jennifer Grieb, the project coordinator for the Community Action Council (CAC) which operates Head Start with Melvin Jones Fellowships. Both recipients have been very important in supporting the Club's community activities with the Food Bank and Head Start.*

### SRLC Promotes Visions Days at Angel's Food Market

On September 6<sup>th</sup> and 7<sup>th</sup> Lions Chuck Horne, Suzette Kettenhofen, Clem Kusiak, Jeanne Kusiak, Lilian McGraw, Ashley Sanford, Chris Werth, Ollie Wittig and Bill Zelenakas promoted **Vision Days at Angel's Food Market** in Pasadena, a Lions Vision Research Foundation event that would familiarize customers with how Lions impact vision. As customers

arrived, they were greeted by Lions in Lions apparel then informed about how vision is the main focus of Lions clubs in our District and around the world. Brief accounts were given about how Lions have benefitted people with sight problems. Many of the people donating also gave testimony to their knowledge of what Lions provide and they thanked Lions for providing this valuable service to the community. A collection container acknowledged donations to the LVRF program by helping to ensure our program continues in local and worldwide communities. A total of \$839.00 was donated and will help this program to continue. The event at Angel's is just another example of how Lions Clubs benefit their communities and live up to the Lions motto "We Serve."

## HOST A VISION DAYS EVENT TO BENEFIT WILMER

### Vision Days - How to Guide

[https://imageserv11.team-logic.com/mediaLibrary/76/Lions\\_Vision\\_Days\\_How\\_To.pdf](https://imageserv11.team-logic.com/mediaLibrary/76/Lions_Vision_Days_How_To.pdf)

Lion Clem Kusiak documented how he made use of the LVRF *Vision Days - How to Guide*.

First step – **We visited with the Owner of Angel's Food Market** requesting approval to hold Vision days, followed by a letter confirming the days.

*On behalf of the Severn River Lions Club, please accept our thanks for allowing our members to provide information about the Lions Vision center at the Hopkins Wilmer Eye Institute on Friday, September 6 and Saturday, September 7<sup>th</sup>. The information explains how Lions support vision programs at Wilmer.*

***We will also provide a news release announcing our presence at Angel's in the Maryland Gazette and Pasadena Voice. We will also collect used eyeglasses on the 6<sup>th</sup> and 7<sup>th</sup>. Please do not hesitate to contact me: e-mail: ckusiak@verizon.net or cell: 443-989-8093. We are looking forward to our opportunity of community engagement....***

Second step – we created a Vision Days news release for two local newspapers providing the above information.

Next Step - **Involving our members:** The previous year's Vision Day single day event was discussed during the July General Meeting. A volunteer signup sheet for Vision Days became the start of creating 5 teams for the two-day event. After the meeting, a 10-minute orientation took place with the volunteer teams.

*New this year: Volunteer teams; Team recognition for collecting donations. Testimonials by donors relating to their experiences with Lions etc.*

Final Step – Requested each volunteer complete a short questionnaire. Results would be **tabulated and communicated to each volunteer.** Next year's Vision Days will include the additions and or changes.

*So far - 4 Responses: Earlier Saturday schedule! List of where to donate eyeglasses! Brochure or Flyer with bullet points on Lions Organization! Would like handout cards and script selling Lions more than collecting!*

The album titled "No Regrets" is the result of life's ups and downs with the overwhelming idea that when it's all said and done "have no regrets. *Journey Down the  
Service Path*

August 14, 2019

Dear Fellow Lions and Lions Clubs of District 22-A:

The District Social, honoring District Governor Sam Foster will be held on Saturday, November 9, 2019 at the Delta by Marriott Baltimore North Hotel, formerly known as the Radisson Hotel at Cross Keys, 5100 Falls Road, Baltimore MD 21210

Though District Governor Sam's term is just beginning, it is necessary to start gathering ads for the Program Booklet now. We need to sell ads to community businesses, our Clubs and our members. A great place to start is where your Club meets. If each Club will put someone in charge of this very important activity, the outcome could be significant.

We would really like to see 100% Club participation in this effort, because, in addition to providing a keepsake of the occasion for DG Sam, it would fund some very worthwhile charities that he will designate with his primary focus being on Diabetes. Remember, since all proceeds from Program Ad sales are used for charity, Club ads can be purchased from Activities Funds.

The cost of these ads is the same as last year:

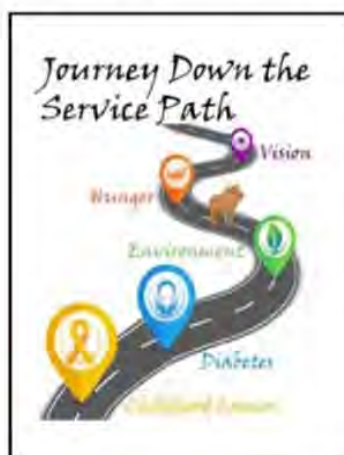

|                                          |          |

| Patrons, Military, and First Respondents | 5.00     |
| (Contains name of purchaser and spouse)  |          |

E-mail each ad to [kjonesjr1@verizon.net](mailto:kjonesjr1@verizon.net) and then mail the contract (see next page) and payment to Lion Kersey Jones, 2103 Point Concord Road, Havre de Grace, MD 21078. Make checks payable to District 22-A Lions. If you want me to make up something for you or update the ad that you submitted last year, just indicate that on your contract when you send it in. I'd appreciate receiving your input and checks as soon as possible, but the absolute deadline is September 28, 2019.

Thank you so much for your support!
