Fellow Lions,

Happy New Year all!! Figure it's not too late to send new year wishes as this is my first InSights of the year. I've had an incredibly busy few months since being appointed District Governor and it's been amazing.

As of today, I've visited 12 Clubs, with 10 more scheduled between now and 3/15. I've met some incredible Lions and am happy to report that you are all doing a great job serving your local communities. Last issue I mentioned that you are blowing your own horns.

Many of you have been doing some projects for so long you take them for granted. Imagine my surprise to hear Reisterstown talking about sponsoring a weekly bowling for handicapped individuals for over 50 years! And Aberdeen has sponsored a Medical Loan Closet for over 50 years too. I'll bet there are others of you who could tell similar stories.

What I don't see is many of these activities being reported to LCI or to me for inclusion in InSights. Cabinet Secretary, PDG Jim Katzaman, would love to help you figure out how to report your activities. If you need help, just contact him. His info is right here.

I've stolen the next two pages from LCI which provides additional information on how important reporting really is.

It's amazing what you can find by tooling around the LCI website. On page 4, I've included "Five Ways to Make Serving Fun" which I again "borrowed" from an LCI blog by Erin Kasdin. Check out the ugly waitresses in the photo below the blog. Personally, I think that anytime you get multiple Lions together we have fun, no matter what the project may be.

A few more items from the near future, I'd like to mention. The 45th Annual Lions Day with the United Nations will take place on **Friday, March 3, 2023 in New York City**. Perhaps take your LEO Club or a group of Lions.

Friday, March 3 - 4. The Multiple District is holding a free training session in Easton for all who are interested in finding out more about district leadership. Contact me if you are interested in applying for the District to pay for one night's hotel bill.

The Multiple District Convention will be in Ocean City, 4/20-23. Please plan to attend for a fun time and to vote for the candidates for District Governor, Vice District Governors, and changes to our District Constitution and By-Laws.

And last, but certainly not least, my District Social - A "Sail-a-bration of Service" will be held on Sunday afternoon, 2 - 6 pm, May 21st at the Annapolis Elks. Please plan to attend - guarantee it will be a fun, very casual, event.

Yours in Service,
DG Sue Parks

Why report service

By sharing our impact, Lions and Leos inform, inspire and grow our global legacy of service.

Strengthen storytelling

Details give stories power. Saying you fed 87 families is more powerful than saying you organized a food drive. Saying your club contributed 1,285 volunteer hours last year is more powerful than saying your club serves the community. When your club reports service, you collect the details needed to share powerful stories of your club's impact.

The LEO Book*

Inform decisions

Documented club achievements reveal what's working and what's not. For example, what if your diabetes education program is growing in attendance, but your annual club fundraiser is shrinking? Reviewing past service reports helps your club make better decisions, including choosing service activities and setting realistic goals.

Inspire service

Your reported service projects can be viewed within your district and around the world. That means your club's creativity and impact can inspire Lions and Leos to embrace new causes and serve in new ways. Reports also help Lions International staff identify best practices to share globally.

Why report service

Grow partnerships

Collaborating with other organizations in your community is a great way to increase the visibility, reach and quality of your service projects. When approaching potential partners, your club's service reports provide tangible evidence of your club's effectiveness to help persuade other organizations to join with you.

Enlighten leaders

High levels of service reporting are a sign of healthy clubs, zones and districts. Knowledge of your club's service history provides invaluable insight to current and future club officers. In addition, district, zone and Global Action Team leaders can best support your club when they understand how clubs in their area serve their communities.

The LEO Book*

Be proud

Service data gives us the ability to communicate how We Serve around the world. For example, in 2021, Lions and Leos served more than 350 million people! We can take pride in that achievement thanks to the leaders who reported over 1 million service activities. Through service reporting, your club joins in that pride and is eligible for service awards.

Five Ways to Make Serving Fun

If you aren't having fun, then you're doing it wrong," says Lion Melissa Murphy of the Sandwell Lions in England. Service will always be the main focus of Lions, but since our inception in 1917, being a Lion has always involved having a good time too. What better way to keep people coming back to serve than to make sure serving is fun?

Here are five ways to inject some good humor and good times into your club activities.

1. **Get to know your members.** When you know your members well, you know what makes them laugh. Delmont Lions in Pennsylvania include a little get-to-know-you during their meetings. The club president picks a member at random and puts them in the interview seat, asking them about their interests, hobbies and experiences. "It's actually a lot of fun hearing members talk about themselves, especially the older folks," says Delmont Lion Lisa Gismond.
2. **Be willing to change things up.** It's good to make some changes when something isn't working for your club. Maryah Tucker of the Bay Area Special Olympics Lions Club says, "We got tired of having a board meeting and then the following week a general meeting with the same 14 people. So now we only have one meeting, and instead of what would have been our general meeting, we have an activity or event with the special needs community. We do things like dances, movie nights, craft nights and game nights. It's been a game-changer!"
3. **Make new traditions.** Sure—pancake breakfasts are great, but doing something new and unique with your club can be a great way to mix it up. On Halloween, Sandwell Lions have a tradition of going out for curry after dressing up and volunteering at the local spooky trail. And there's definitely something fun about a bunch of witches and warlocks gathering for a post-scare meal. Murphy says that they were even asked to pose for photos with other restaurant-goers this year.
4. **Challenge one another.** Push yourselves with spirited contests and set goals with fun rewards. Charles Carter of the Dawsonville Lions Club in Georgia walked away with a pint of strawberries after he told a great joke at one meeting. His club has been running a joke contest to get the laughs going. "We draw three names out of a hat and ask them to tell a joke. The best joke wins a prize, donated by a member and placed in a paper bag. One meeting a Lion won two tickets and VIP parking for an NFL game."
5. **Encourage silliness.** Whether it's goofy costumes at a fundraiser or theme nights for club meetings, look for ways to show that Lions take their work seriously, but they never take themselves too seriously. Lions Mike Eisenberg and James Knight dressed up as Tweedle Dee and Tweedle Dum at the 2022 28-U District Convention in Utah and wandered the crowd, calling fellow Lions' cell phones to see whose would ring—then taking the opportunity to fine them for having their phone on. "They also had bags full of funny prizes and many very bad jokes," says Lion Richard Stevenson. But their antics worked, and the crowd was engaged and having a blast. One feisty crowd member even swiped Tweedle Dee's own cell phone and auctioned it off, forcing him to pay to get it back.

THE LOAN CLOSET – WE'RE STILL SERVING!

The Loan Closet needs wheelchairs, transfer benches, transport chairs, potty chairs, etc. Please keep your eyes open for individuals giving such items away or wanting to donate. Keep checking on Marketplace on Facebook for free, people to post there for give-aways.

COVID 19 put a serious crimp in the Aberdeen Lion Clubs' ability to reach out and serve in many of our traditional service projects. Fortunately, one such service project was not affected by the Pandemic. That service project is the Medical Loan Closet.

The need and request for walkers, bedside commodes, shower seats, transfer benches wheelchairs etc., has not diminished. If anything, those needs, and requests have increased over the last several months.

The Aberdeen Lions Club continues to provide area residents with these items either directly to the person needing them or through a network of physical and occupational therapists that provide them to their clients and patients. It's important to note that these items are available to all Lions and to anyone requesting them.

We stock our Aberdeen Lions Club with donations from folks that find they no longer need these items and want them to be used again and again. I've traveled to Delaware and Baltimore County and Baltimore City to pick up Medical Items. Folks I've never met, drop off Medical Items at my house often! We also are very fortunate that many of our Lions are on the constant look-out for Medical Items that we can use. Lion Lowell Moxley and Lioness Lion Brenda Conjour are always dropping off items to be placed in the Medical Loan Closet. Thank you, Lions.

Lions Herman and Lambert also work with me to fetch Medical Items from the trailer. Thank you, Lions! On occasion, when there is a need, we do go out into the market and purchase items that we don't have in the Medical Loan Closet Trailer. The word has gotten out that we provide these Medical Items at no charge and gladly accept their no longer needed Medical Items. We find that the folks that get them are greatly appreciative of this service that the Aberdeen Lions Club provides.

Please spread the word that we accept and lend out, Medical Items to anyone requesting them! Anyone can contact me call or text at 410.404.5373 or email at: Aberdeenhappenings@comcast.net.

The Aberdeen Lions Club has had a Medical Loan Closet for over 50 years! From its humble beginnings in the basement of Lion George Lefevre's home to the 43' storage trailer that we have today, we continue to provide those in need with Medical Items.

Thank you, Lions, for your support and thank you, the folks that continue to donate their no-longer needed Medical Items to the Aberdeen Lions Club! It's greatly appreciated!

We're still serving!

BEL AIR LIONS CLUB HIGHLIGHTS

On Tuesday, January 24th, the club celebrated its **80th Anniversary** with a Charter Night Celebration at Rockfield Manor.

The meeting featured a proclamation from the Town Commissioners congratulating the Lions on 80 years of service to Bel Air by Bel Air Mayor Kevin Bianca, KL Ken Waldner accepted the certificate on behalf of the Bel Air Lions.

The night also featured induction of three new members by FVDG John Mosier. The newest Lions included: Joe Meholic, Rick Sharesky and Jesse Bane. Lions Joe and Rick have been active in club functions in the past and Lion Jesse was an honorary member prior to full membership.

Lion Ken Zorbach and his blankets from 2022.

February - Chemo Blanket Kits

Kaufman Cancer Center has a unique service called Cancer LifeNet that provides all kinds of free services to cancer patients and their families right here in our community. Cancer LifeNet serves over 1700 patients and their families each year.

Patients receiving treatments needed to stay warm. We can provide blankets (often called "Comfy Chemo Blankets") to help them get thru these times. And they keep the blankets.

Last year we made over 35 blankets. We want to hit that mark again this year. We have 35 blanket Kits (20 from the club and 15 generously donated by APGFCU (Lion Monica) from Joanne's fabric to give you. Or you can buy or make your own.

CHURCHVILLE LIONS CLUB HIGHLIGHTS

Churchville Lions hosted blind and sight-impaired children from Harford County for a Breakfast with Santa. Lion Wayne Rexroth has been serving as Santa for many years!! (Pictured - Lion Wayne Rexroth)

They also hosted blind and sight-impaired children from Harford County for a "Private Showing" at the Harford Lions Train Garden. They are looking for other Lions/Lions Clubs/train buffs interested in joining them to present the Harford Lions Train Garden for the 2023 Holiday Season. Please email Secretary Debbie Absher at manateefan54@Hotmail.com if you are interested!

NEWS FROM LVRF!!!

Pike Creek-Green Hills Lions Club issued a **Challenge** to the District Governors and Trustees in Multiple District 22. If 90% of the Clubs in a District contribute at least \$50 to LVRF Lions Low Vision Fellowship Endowment Fund during the period July 1, 2022 to **March 1, 2023**, the Pike Creek-Green Hills Lions Club will donate \$1000 per District to LVRF.

District 22-A Clubs have taken up the challenge and as of today, we only need 3 more clubs to make an LVRF donation of at least \$50. We only have a few more weeks to make our goal. Please help out and get your donation in.

To avoid post office box delays, please send your donation made payable to LVRF directly to LVRF Treasurer Martin Bonura, 1743 Deer Park Road, Finksburg, MD 21048

Thanks.

DARLINGTON LIONS CLUB HIGHLIGHTS

The Darlington Lions completed their largest annual service project, assisting 28 families over the Christmas holidays. Each family received a traditional Christmas meal that included turkey, stuffing, potatoes, vegetables, pumpkin pie and other side dishes. In addition, they were given a \$100 grocery gift card and a box of other non-perishable items to help in stocking their pantry. Those with children were also able to select from the toys that had been donated to the Club via a collection box in the community pharmacy.

Lion Fred Guenther of the Churchville Lions presented Darlington Lion Joe Foltz with a plaque in recognition of the hundreds of hours he worked in creating the Harford County Train Garden at Bloom's Broom Dairy in Bel Air. The Darlington Lions oversaw operation of the train garden Dec 9 to 11 with Lion Joe on hand all three days to address any technical issues. Nine other club members worked 3-hr shifts and interacted with 545 visitors over the three days while collecting \$331 in unsolicited donations as thanks.

Harford County is celebrating the 250-year anniversary of its incorporation. As part of that celebration, the Historical Society has published a book of write-ups related to the County's history. Past Council Chair (PCC) Larry Burton wrote an article on the 75-year history of the Darlington Lions Club that was accepted for inclusion in the book. The club subsequently purchased two of the books and donated them to the Darlington Library to be enjoyed by other community members.

EDGEWOOD LIONS CLUBS HIGHLIGHTS

DG Sue Parks joined the Edgewood Lions Club to celebrate the holiday season

L-R: Santa (Lion Bob Carr), Mrs. Claus (guest), Lions Frank and Rose Marie Vaccaro, Linda LaOrange, Bob Sullivan (with his wife, Linda). Standing: KL Steve LaOrange, Lions Tom and Sonia Hammen. DG Sue presented Lion Sonia with a 20-year chevron.

Lions, Friends, and Guests,

Thanks to a PR Grant secured by MD22, we will again be able to participate in the Memorial Day Parade and have a great showing for DC, DE, MD & VA area. It will be held on Memorial Day May 29th in downtown DC. We have been a part of this for the past 14 years and have always been well recognized and appreciated. As the time draws nearer, there will be many communications and directions sent. We hope that you will want to be a part of this.

Please make sure that you pass this information on to each and every Lion so that they may plan to attend and be part of our homage to the Military that has and still is protecting us. We honor the Active Duty and Veterans (Living and Deceased) Military men and women who have served and are still serving.

Lions, please note that unless LCI can provide separate funding in the future, this may be our last time participating.

Luminaire-Towne Tradition

Luminaire, a candle lighting tradition brought to Joppatowne from Pittsburgh by Jim and Judy Jeffries, will be held Christmas Eve starting at 7 p.m. The residents of Acadia Drive, Wycliff Court, Tanglewood Court and Foster Knoll Drive from Acadia to Trimble Road, will place a lighted

candle on the curb in front of each home as a welcoming gesture to the Christmas Visitor.

The candles, which are placed in small brown paper bags, ballasted by sand, will burn into the small hours of Christmas morning, depending on weather conditions.

The Harbor Ridge residents, observing the Luminaire tradition for the second consecutive year, invite everyone in Towne to drive through the area on Christmas Eve - this is a must for young and old alike.

In case of rain, Luminaire will be held on Christmas night at 7 p.m.

“IF YOU BUILD IT, THEY WILL COME”

The correct quote is “If you build it, **he will come**,” a line from the Kevin Costner movie “**Field of Dreams**.”

Severn River Lions 2021-2022 Service Committee members discussed a “community square” venue of service project ideas for Lions and the Community to directly benefitting the efforts of Lions. One of many came forward but one of interests provides service enhancing Community needs and supports Education for all ages.

As a result, Severn River opted to build, install, and stock Book Nooks, better known as “**Little Free Libraries**,” with guidance from “**THE LITTLE FREE LIBRARY BOOK**” by Margret Aldrich:

Committee Questions:

Why Little Libraries? *There’s a common thread among their stewards and supporters, even amid the diversity of cultural, education, and economic backgrounds! They bring us together, they’re a small but potent antidote to the corrosion of connectedness. Their doors are always open, and the invitation to everyone is a standing one.*

Where would we place our Libraries? *Many stewards choose to plant their Little Free Library in their front yard, close to a sidewalk and at the footfalls of pedestrian traffic. No matter where one decides to locate the library, be sure to get the location approved before breaking ground.*

How Will our Little Free Library help build our community? *A Little Free Library helps grease our social wheels, establishes bonds by serving as a miniature “third place” a neutral, public space outside of work and home – invigorates our community in the same way a local coffee shop or familiar bar might.*

Next steps by the service committee: Photos of Little Free Libraries were shared. Locations determined, local areas approval completed, decorating was agreed to happen. A memorial plate recognizing an outstanding Lion was provided.
