*"Put Out the Call" to  
Volunteer Lions Family*

[lciconv2027host@gmail.com](mailto:lciconv2027host@gmail.com)

Greetings Lions & Leos,

Our district has been granted a very special honor. We have been chosen to host the 2027 Lions Club International Convention. We are anticipating up to 25,000 Lions from around the world to gather July 2-6, 2027 in Washington D.C. to put their Lions pride on full display.

Making this event even more special, thousands will visit the U.S. and our nation's capital for the first time. They will go home with memories of the monuments, memorials, and museums that make Washington D.C. such a spectacular tourist destination.

We want them to remember this convention and to know that Multiple District 22 made them feel welcomed and appreciated. This is why we want to be the best Lions Club International gathering ever. To do that, we need your help.

We're counting on each club within Multiple District 22 to help defray costs by encouraging their members to be generous with their donations. That's quite a responsibility, Lions have a long history of stepping up when they're needed, and we need your club to participate in this once-in-a-lifetime opportunity.

Remind your members that this is the chance to showcase your club's service projects and achievements and to gain recognition for your club on the world Lion stage. Every participating Lions Club will receive a banner patch with Level recognition and written acknowledgement from the Host Committee Secretary followed by presentations during each District Convention within Multiple District 22 Conventions.

Complete information is on the attached Lions International Convention Sponsor form.

Thank you for your support of Multiple District 22 and our efforts to make the 2027 Lions International Convention one your club, district and our country can be proud of!

Sincerely,

Rich Barb, PDG  
Finance Chair, Host Committee

Evan Gillett, PDG

We are looking forward to the next USA/Canada Forum in the Bluegrass state, Kentucky. Louisville will be the venue in 2024. Mark your calendar for September 5 - 7, 2024.

**The Louisville Forum will feature  
a unique and fun Strides event!**

### *Some USA/Canada Lions Leadership Forum History*

*September 30 – October 2, 1977*

The idea of the USA Forum came from the Lions International President, Joe McLoughlin, and he asked Norm Dahl to head the forum and asked me to be the officer to Assist.

The host leadership for the forum was Norm Dahl, John Oberweiss and Phil Tom with Past International President Johnny Balbo as Honorary Chairman. The featured speakers were Senator Bob Dole, Coach Bob Dole, Coach Bob Devaney (Nebraska) and International President Joe McLoughlin. The financial responsibility of the Forum was that of the Lions of Illinois and they reported that they broke even. The Illinois Lions asked for an advance contribution of \$100.00 from Past Presidents and Past International Directors. It was all returned. Approximately \$1000.00 was forwarded to Detroit for the 1978 Forum.

## BEL AIR LIONS CLUB HIGHLIGHTS

### Remembering Lion Carl Conway

Lion Carl Conway passed away on December 17, 2023. He was 88 years old. Born and raised in Forty Fort, PA, he was the husband of the late Althea J. Conway. Lion Carl was active within the Bel Air Lions for many years and served as club president from 1982-83.

Carl enjoyed golfing and was an avid Baltimore Orioles and Ravens fan. Carl was a season ticket holder for the University of Maryland Terps basketball for 40 years. He was still working at his business; Conway Construction and he founded Conway Management Company in the early 1980's.

### Removal of Leftover Christmas Trees

Several Lions worked with the crew from Bel Air DPW on December 19 to remove all leftover trees. The trees were chipped for mulch. Tree sales ended on a rainy Sunday night of December 17.

## DARLINGTON LIONS CLUB HIGHLIGHTS

The Darlington Lions manned the Harford County Lions Christmas Train Garden at Broom's Bloom on Dec 8-9. Lion Joe Foltz contributed his own personal equipment and accessories for the display. The adjacent photo shows Lion Joe with the layout and scene he created (with lots of help from his wife Lisa) and was featured on the front page of the local County newspaper, The Aegis. During the weekend Darlington manned the display, a couple hours were set aside for blind children to attend. Joe gave personalized attention to each child allowing them to operate the train controls, feel the platform vibrations from the train, and hear the locomotives as they passed. Nearly 250 persons visited the display over the 2 days.

The club was also busy with its Christmas food basket project and toy store. Ten Lions gathered to sort and pack the food into baskets. The toys that had been collected were arranged by age group and gender. And coats were sorted and grouped by size. In the end, 29 families were adopted with each family receiving a traditional holiday meal that included a turkey and all the sides plus a \$100 grocery card to a local supermarket. All told, nearly \$4400 in food and grocery cards were distributed to community members who needed a helping hand.

## FALLSTON LIONS CLUB HIGHLIGHTS

*At DG John's recent visit to the Fallston Lions, he presented President John Somerfeld with the IPDG Sue Parks' Commendation for Community Service for 2022-2023.*

*DG John also presented Lion June Livingston with International President Patti Hill's Certificate of Appreciation recognizing her work within the Lions Association for Sight & Hearing of Maryland (LASH).*

*And last, but certainly not least, Lion Joe E. Livingston was also presented with International President Patti Hill's Certificate of Appreciation recognizing his work within LASH.*

## SEVERN RIVER LIONS CLUB HIGHLIGHTS

*KL Joinette presented one of our Severn River mugs to guest speaker, Paul Monteiro, at our January monthly membership meeting.*

Paul Monteiro is the Secretary of the newly created Department of Service and Civic Innovation and gave a really inspiring presentation at our January meeting.

The Department of Service and Civic Innovation was established by the Serving Every Region Through Vocational Exploration (SERVE) Act of 2023 with the purpose of promoting service and volunteerism in the state of Maryland. The SERVE Act also launched two new exciting service pathways for eligible youth and adults, in addition to existing volunteer and service opportunities available through the Governor's Office on Service and Volunteerism and Volunteer Maryland.

### **Service Year Option (For Young Adults ages 18, 19, 20, or 21)**

The Service Year Option is an opportunity for those who recently completed high school, received their high school completion certificate or earned their GED in Maryland. Members will serve across the state of Maryland in organizations that will provide job training, mentorship and other resources to be successful all while earning \$15 an hour plus focused professional development time each week.

### **Maryland Corps (For Adults of All Ages)**

Maryland Corps is an opportunity for people of all ages interested in performing public and community service in Maryland. Like the Service Year Option, members will work in organizations that will provide job training and professional development, and earn a minimum of \$15 dollars an hour.

**If you are interested in more information about the above programs, Paul and his staff will be providing a seminar at the MD22 Convention in April.**

On Saturday, January 6th, several Lions performed racecar judging duties at the Cub Scout Troop 688 Annual Pinewood Derby.

## Lions Clubs International & Diabetes Awareness

Diabetes has a large effect on our communities. An estimated 463 million adults across the world live with diabetes and its prevalence is increasing rapidly. By 2045, the number is expected to reach 700 million. Research has found that the rate of people being diagnosed with prediabetes and diabetes has been rising across the globe for many years. Diabetes is a global epidemic that touches every corner of the globe. Lions and Lions Clubs are working to reduce the prevalence of diabetes and improve the lives of those living with type II diabetes.

### **DIABETES IN MARYLAND** According to the Maryland Behavioral Risk Factor Surveillance System

- ❖ **10.5 % of Maryland adults have diabetes**
- ❖ **34% of Maryland adults have prediabetes** (approximately 1.6 million people)

#### **Risk factors for diabetes include:**

- ❖ Being overweight or obese
- ❖ Age (risk increases as age increases)
- ❖ Race or ethnicity
- ❖ Poor nutrition and lack of physical activity
- ❖ Tobacco use
- ❖ Prediabetes and gestational diabetes
- ❖ Social determinants such as income and education level

**Diabetes Awareness Ribbons** allow Lions to become active in reducing the cause and raising awareness of diabetes. By raising small donations and handing out this small ribbon we hope to bring awareness to those with diabetes.

**Diabetes Awareness Ribbons** raise funds to help by sending kids to diabetes camps, providing literature for coping with diabetes, cookbooks, diet planning, and literature.

**All of the funds raised with Diabetes Awareness Ribbons will go toward diabetes awareness and helping those with diabetes. That's the Lions' commitment.**
