For those attending the 22A Social at the Horseshoe Casino, below are instructions on where to park and how to find this exciting event.

Please share with those members of your club attending.

Park in the garage, go to the elevator and select the button that says casino...once you enter the casino there will be lions signs directing you to the ballroom. You will take an esclator down one flight to the lower floor. If more detailed info is required they need to ask the security guard that is at the entrance,
