Apologies for the late notice, but I just received this information a few minutes ago. If you can make it, please do.

LVRF Board Members, Advisors and Appointees

I received a phone call from JT Dean this afternoon, explaining that there was a scheduling conflict with the location of our Rendezvous on November 18, 2017.

The Rendezvous is now scheduled to be held in the Owens Auditorium in the Bunting Blaustein Research Building and recommended parking is in the McElderry Garage.

Here is the campus map,
http://www.hopkinsmedicine.org/the_johns_hopkins_hospital/_docs/jhi_visitors_guide.pdf. The Owens Auditorium is in the Bunting Blaustein Building, Section D6 and parking is in the McElderry Garage in B5.

I've also attached directions to the McElderry Garage for your use. Please help me spread the word on this change to Lions and Lions Clubs where you are members or in contact. Together we can ensure this information is distributed.

PDG Larry Burton, LVRF Vice-Chair had volunteered to handle signage for the event. JT has communicated with PDG Larry and provided new information. I have every belief that signage to the correct auditorium and notices at the previous locations will be well placed and attendees will find the correct auditorium with the least amount of error.

I will also be contacting those that have RSVP'd and those that will RSVP will be reminded of the location change. I will also be notifying the some 391 invitees that the Rendezvous has changed. The term Rendezvous 2017 is beginning to have a new meaning to me.
