President's Message:

Happy New Year Lions!

I hope everyone had a happy and healthy Christmas. I'd like to thank the Lions who made it out in the ice on Dec. 17th and got our 13 food boxes delivered. Lion Marie did one heck of a job shopping for the turkeys, chickens, and other items needed to complete the boxes. Unfortunately, she caught a bad cold that day, but she did manage to shake it off in time to spend Christmas weekend with all 7 grand-kids.

As we begin 2017, our 70th year, I hope we can get membership up to 70 or as close as possible. I'm planning on attending as many community meetings and functions as possible to get Lions noticed, and I hope the entire Club would do the same. Our first event will be the Health Fair at Magnolia Middle school on Jan.19th, 5:30- 7:30. At our next meeting, Jan. 9th, we will need to go over our presentation and maybe practice with our "SPOT" machine as we will be doing vision screenings.

Yours in Lionism,
KL Doug Eck

Meetings
