

## *Linthicum Lions Chatter* *November 2016*

### **President's Message**

Hello to My Linthicum Lion Friends,

First note: We didn't have our fruit sale this month because the vendor didn't receive prices from California and Florida until a week ago. We'll need to pick out a new date for December and also decide if that changes the date of our next meeting now set for Dec. 19. We will update our fruit sale flyer with the new sale date and mail it shortly. Meanwhile, here are the prices, each with a \$10 profit for every whole or half case sale:

<b>Fruit</b>	<b>Whole Case</b>	<b>Half Case</b>
Navel Oranges	\$37	\$26
Ruby Red Grapefruit	\$31	\$24
Tangerines	\$42	\$30
Tangelos	\$33	\$24
Juice Oranges	\$32	\$24

As we regroup for the fruit sale, we already have our new See's Candies Winter Fundraising Program under way. You'll see on our flyer there are many different kinds of candy in various assortments. We must receive orders with payment by Nov. 18. Orders will be available to pick up Dec. 5 at Italia's Corner Café.

Remember, our November meeting is a week early. See you Monday.

Yours in Lionism,

Lion King Tammy
